

Expand PodiumCase

Bring your message to your target audience.

Choose from three different table top colors: Aluminum, Birch or Oak.

The Expand Header is an easy to mount accessory for the Expand PodiumCase that can further strengthen your message. This simple attachment quickly creates an information kiosk, sampling station or a presentation podium.

The Expand PodiumCase packs easily and is securely closed with four clamping buckles.

Use the integrated wheels to bring your message to your target audience.

Easily attach the Expand BrochurePocket to the table top of the Expand PodiumCase with the supplied hardware. Up to four pockets can be added to the open configuration of the Expand PodiumCase. Other optional items also shown here: graphic panel wrap and large aluminum top.

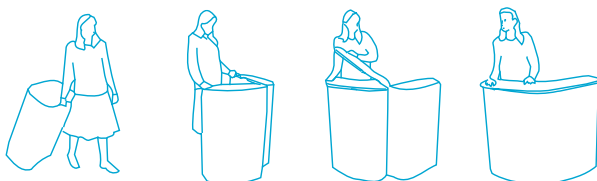

A rear view of the Expand PodiumCase shows the optional internal shelving. These shelves are perfect for keeping items like literature and beverages out of sight from your audience.

The Expand PodiumCase can also be used as a traditional podium for your event.

Expand PodiumCase

The Expand PodiumCase is an easy-to-handle podium case that also holds and protects your valuable display. This case is unique since it is based on the concept of a suitcase and not a trashcan. The task of loading and unloading your display items is made easier since you no longer have to lift heavy items in or out of the top of the case.

The Expand PodiumCase can quickly and easily be turned into a spacious counter. To create the counter, simply open the box and attach the wooden top. The counter has a unique shape and provides a large surface to gather around at your event. Inside, the optional, detachable shelves hold your brochures, demo products or anything else you may want to remove from sight. You can also use the front of the case for extra exposure of your message or your logo by adding a graphic wrap and the Expand Header. The Expand PodiumCase is a perfect transport box for Expand 2000, Expand MediaFabric and our other retractable and non-retractable display products.
