

# Car Flag

R1.021507

Car Flags are ideal for your outdoor campaign.

Our Car Flags come complete with flag holder and high quality waterproof flag made out of proven polyester flag fabric. The printing can be done with Chemical Screen Dye Print or Digital Chemical Dye Print which guarantees the brightest colors with the highest light fastness available.

Advantages:

- highest light fastness guaranteed
- easy to install within seconds
- no additional hardware necessary
- proven flag fabrics
- out-of-the-box solution

How to Install:

Open your car window and place the flag hardware on top of the glass.

Close the window and your Car Flag is ready for action.
