

This is the end of renting carpet from show to show. When cut to 5-foot sections, it can be **shipped via Fed Ex or UPS without oversize charges**. Each 10'x10' section weighs 47 pounds and fits into one carpet bag.

- Anti-fatigue cushion attached to carpet
- 22% lighter than comparable quality carpet
- Carpet has memory — will not crush or wrinkle
- Perfect for pop-up or table top exhibits
- Ready for immediate use
- Easy storage — easy set up; easy tear down
- Extra Heavy Gauge Vinyl Label Pocket
- Standard Stocked Sizes
- Custom sizes available upon request

Carpet with cushion attached - Finally

- Very simple set-up and tear down.
- Always ready for immediate use.
- Carpet always lays flat.
- Great trade show colors to choose from.

10'x10' Kit: \$499.00

Kit includes

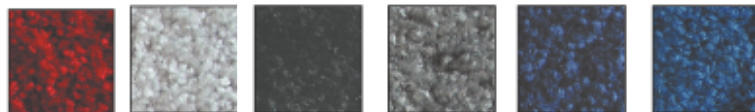

- 2 sections of 5'x10' carpets
- Attached cushion
- 1 roll of double-sided carpet tape
- 1 carrying bag

As Easy As...

- 1** Weighs only 48 lbs and fits into a 5' long carpet bag. Carpet is very portable and ships via UPS, Airborne and Fed Ex without oversize charges.
- 2** Rolls out as 2 @ 5x10 sections. Double face tapes to floor and seams together beautifully every time.
- 3** Edges are finished for a truly professional look. Carpet with anti-fatigue cushion attached makes for a very comfortable tradeshow experience.
