# WAVELINE MEDIA OSPREY

Tension Fabric Graphic Displays  
Three Section Display

The future of large affordable marketing displays is here. The Waveline Media is built with a simple and lightweight, yet strong, aluminum tubing zipped inside a wrinkle-resistant polyester fabric graphic print. Sets up in 15-20m without tools to create a large surface area to display your brand or message. Single or double-sided.

20FT Waveline Media Display  
single or double-sided

x1 Waveline Media Osprey 20ft Display with CA900 Counter and 2x Mini Counter
