High Quality Printing For Exceptional Branding

Regardless of the complexity of your design, we can help you create a one of a kind design or a simple design with high resolution printing. We can print anything you would like on the neoprene, textile cover. Our design team and our high end printing capabilities will make any of your ideas happen. We offer full dye sublimation printing that is the best in the market and its possibilities are limitless. We will create the perfect look for your brand!

Fast Setup for Simplified Usage

Each one of our inflatable designs is lightweight and completely portable. It only takes 3 minutes to setup and only one minute to add the cover! When folded, the inflatable furniture can fit in any regular luggage and can be easily carried on board. It requires very little maintenance and can be easily cleaned after each event.
