

PREMIUM TENT MATERIALS

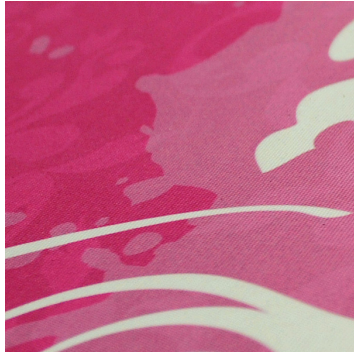

Premium 600 Denier Polyester:

High quality fabric ideal for outdoor use. Its upgraded PU coating protects against the wind, water and UV rays. It is also fire retardant for safety precautions.

- Water resistant and flame retardant polyester canvas
- 2-Sided print walls with blocking liner for optimal opacity
- Full walls connect with zippers for max protection and stability

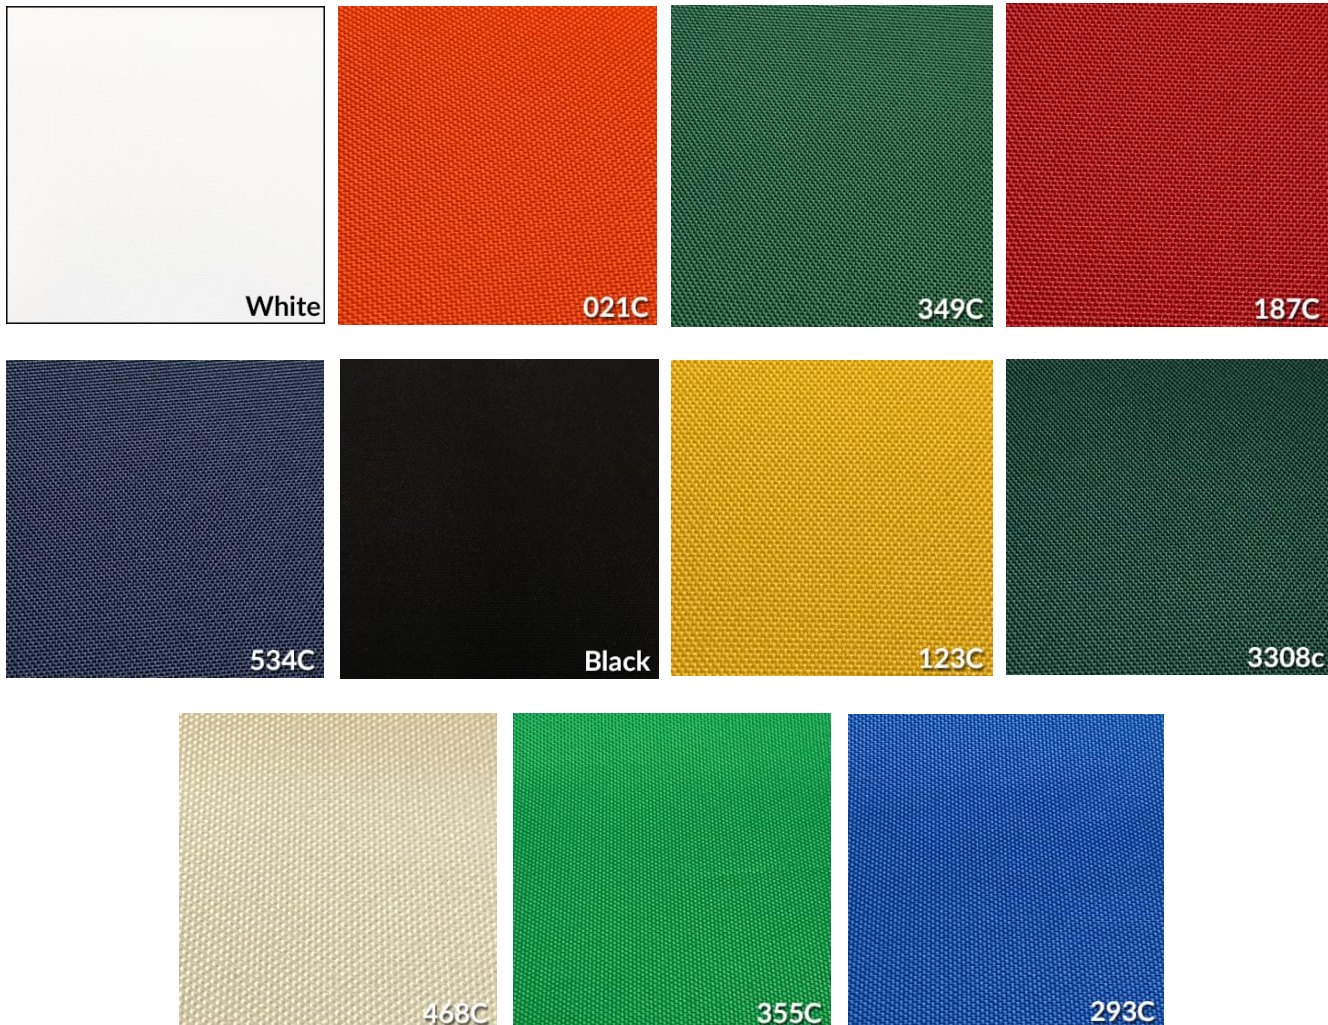

Poly-Vinyl Top (*Not available on all tents*):

- Completely Waterproof
- Fire Retardant
- Offers UV Protection

Full Custom Print 600 Denier
